I am submitting this protest letter in opposition to the **PROPOSED WATER & RECYCLED WATER SERVICE RATE ADJUSTMENTS, THE TEMPORARY DEMAND MANAGEMENT SURCHARGE RATES AND THE INCREASED WATER METER RATES**, to be voted on by Upland City Council on March 12<sup>th</sup>, 2018. Let it be known, I am in staunch opposition to the proposed 5-6 years of increased water rate of 17%, 9%, 9%, %5, 3%, 3%, plus the 57% increase rate for water meters and the proposed surcharge rates of .10 cents, .17 cents and .31 cents, for using less water! By signing the form below, I protest the proposed service charge rates and affirm under penalty of law, that I am the owner or tenant directly responsible for the payment of charges for services.
